1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 04/26/04 has been entered.
2. Non-elected claims 7-9 and 11-24 are hereby rejoined and allowed together with claims 1-6 and 10.
3. The following is an examiner's statement of reasons for allowance: the prior art does not disclose method and apparatus for measuring and setting of a voltage of an adjustable internal reference voltage source of an integrated circuit having an internal reference voltage source, an external comparison voltage source, comparator with two comparator inputs, a commutator with two commutator inputs connected to a respective one of said internal reference voltage source and the external comparison voltage source and two commutator outputs connected to two comparator inputs, and the commutator is used for alternately switching the two comparator inputs between said internal reference voltage and said external comparison voltage.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
